**7:00 | Registration/
Continental Breakfast**

7:50 | Welcome

Chris Ross MD, FACEP - INACEP Education Director

8:00 – 8:30 | “Broken Hearted: Troubleshooting the Sick Child (or Adult) with Repaired Congenital Heart Disease”

Elizabeth Weinstein MD, FACEP

Nothing is more terrifying than a sick kid in the ED. Except, that is, a sick kid status post repair for congenital heart disease. The always entertaining Dr. Weinstein will help you prepare for this nightmare scenario and teach key pearls and pitfalls in the management for these sick patients.

8:30 - 9:00 | How to be a MacGyver in the Emergency Department

Josh Mugele MD

Get ready to get creative! Dr. Josh Mugele will walk you through a few non-standard but effective tips and tricks for common problems faced in the ED.

9:00 - 10:00 | “Swimming in Quicksand; What Emergency Physicians Can Learn from Fighter Pilots, Marines, and the Architect of Shock and Awe”

Howard Mell MD, MPH, CPE, FACEP

Stuck on a difficult case? Allow Dr. Howie Mell to walk you through a military-grade approach to decision-making when facing complicated cases and conflicting data.

10:00-10:15 | BREAK

10:15-10:45 | “Advances in Emergency Psychiatric Care”

Paul Kivela MD, FACEP

One of the most pressing issues we face in EM is how to effectively and efficiently care for our psychiatric patients. In this lecture, Dr. Kivela will explore solutions to help solve psychiatric boarding problems and implement solutions to streamline care for psychiatric patients in the ED.

10:45-11:45 | “Emergency Medicine and the Opiate Epidemic: Where We Were, Where We Are, and Where We Are Going”

Jennifer Walthall MD, FACEP

Indiana FSSA Secretary Dr. Jen Walthall will deliver an update from last year's well-received talk on the current opioid crisis facing our EDs. This year will include discussions surrounding sustainability models for intervention in the ED and a proposal for ongoing partnerships with multidisciplinary teams to combat the problem.

11:45-12:15 | “EMS Updates”

Andrew Stevens MD

Always on the cutting edge of EMS treatment, Dr. Andrew Stevens will give an update on best practices and what to expect in the future of EMS.

12:15-1:30 | Lunch/INACEP Business Meeting /National ACEP Update/ Visit Exhibits

1:30 - 2:00 | “What’s Your Physician Satisfaction Score?”

Edwin Leap MD, FACEP

Feeling burned out? Not getting the satisfaction from your career that you once had? Join Dr. Leap for an entertaining and insightful discussion of suggestions for a more satisfied physician, including a focus on the medical family, stress management and having the courage to make positive changes.

2:00 - 2:20 | BREAK - VISIT THE EXHIBITS

2:20 - 2:50 | “So What?” Live”

Howard Mell MD, MPH, CPE, FACEP

We're bringing out the recording equipment! Join Howie Mell for a dynamic, live, on-site recording of ACEP's 'So What?' The #FOAMed skeptics podcast.

2:50 - 3:20 | “Trends in Emergency Medicine”

Paul Kivela MD, FACEP

Hear about the expected changes in our specialty and healthcare from the ACEP president himself, Dr. Paul Kivela. Discussion will include topics such as new delivery models and novel opportunities for the emergency physician.

3:20 - 3:40 | BREAK - VISIT THE EXHIBITS

3:40 - 4:10 | “Maybe There’s a Better Way: Evidence-Based Practice Changers”

Bart Besinger MD, FAAEM

Dr. Bart Besinger will discuss evidence-based innovations in treatment of common emergency medicine presentations. Expect to take home something you can use tomorrow in your practice!

4:10 - 4:40 | “Shine Like Alpha Centauri: Impacting Emergency Medicine Through Quality Feedback”

Joe Turner MD, FACEP

Wholly underrated, giving feedback is a skill that all EM docs must master. Whether talking with a medical student about their shift or discussing a near-miss with a nurse, giving feedback is a daily occurrence in the life of the ED physician. Dr. Joe Turner will lay out pitfalls to avoid and give tips on delivering high-quality feedback.

4:40 - 5:10 | “Critical Access Survival Tips”

Edwin Leap MD, FACEP

Ever felt all alone working out there? Conversely, ever wondered what practice is like in a small rural hospital? Dr. Leap explores the challenges of practice in a critical access hospital when all you have is a nurse, a resuscitation room and a helipad.

AGENDA: Day 2

Thursday, April 26, 2018

7:00 | Registration/Continental Breakfast/“Community Medicine Breakfast and Case Sharing”

NON-CME EVENT

An informal gathering for registrants to share what they are seeing in the community. We invite our members to take 5 minutes to share a story about M and M, near misses, great saves, and crazy days. This is a good opportunity to interact with residents as well.

7:50 | Welcome

Chris Ross MD, FACEP - INACEP Education Director

8:00 - 8:30 | “Dying to Lose – Complications of Bariatric Surgery”

Joe Martinez MD, FAAEM, FACEP

More than 1/3 of U.S. adults are obese. Bariatric surgery is becoming an increasingly common option for patients to help lose that weight, but can potentially be fraught with complications. Dr. Joe Martinez will walk you through what complications to look for when these patients hit your ED doors.

8:30 - 9:00 | “My Patient With Abdominal Pain Has a Normal CT, Now What?”

Joe Martinez MD, FAAEM, FACEP

“Normal CT, ok to d/c?” Maybe. Round two with the belly pain expert himself, Dr. Joe Martinez will explore what you could've missed even with that normal CT.

9:00 - 10:00 | “Useful Without My Tools-My Hurricane Harvey Experience”

Casey Patrick MD

Ever been called to action in an actual disaster scenario? Dr. Casey Patrick has. He helped serve as EMS medical director of Montgomery County Texas during Hurricane Harvey. Enjoy his first-hand account of a medical response during an actual disaster.

10:00 - 10:30 | “Unconscious Bias in Your Workplace”

Katie Pettit MD

We all try to treat everyone equally, but is that how we behave? Dr. Katie Pettit will discuss groundbreaking research being done locally evaluating our behavior as ED physicians and how unconscious bias and gender comes into play. Without a doubt, what you hear will be eye-opening.

10:30-10:45 | BREAK

10:45-12:15 | “Ultrasound Guided Nerve Blocks”

Robert Blankenship MD, FACEP & Bart Brown MD, FACEP

Want to take away the pain of that 89 year-old with a hip fracture without having to resort to opioids? Well you're in luck! Drs. Blankenship and Brown return this year for a hands-on lab exploring techniques for ultrasound-guided nerve blocks.

PLANNING COMMITTEE

Chris Ross MD, FACEP – INACEP Vice President, Course Director & Educational Planning Representative

Nick Kestner – INACEP Executive Director

Sue Barnhart – INACEP Conference Pre-Activity/ On-Site Rep

COURSE DESCRIPTION

This course is specifically designed for the practicing emergency physician, but may also be of interest to emergency nurses, physician assistants, nurse practitioners and paramedics. This year we have continued with the tradition of providing a national flavor to a local conference with many guest lecturers from diverse geographic localities and practice backgrounds. This year's speakers are leading authorities on Emergency Medicine topics.

COURSE OBJECTIVES

Teaching our course this year are experts selected for their outstanding teaching ability and hands-on experience on relevant, up-to-date issues, topics and concerns for the emergency department professional. Upon completion of this course, participants will be able to identify and implement state of the art procedures; analyze up-to-date informational reviews; and assess and evaluate a variety of emergency department situations covered in this year's course.
