## **Emergency Department Medications for Addiction Treatment**

### **Waiver Training Course**

*Register for the updated ED-focused MAT Waiver Training required to apply to the Drug Enforcement Agency for a waiver to prescribe buprenorphine*

This is your chance to complete the updated Emergency Medicine Focused MAT training required to apply to the Drug Enforcement Agency for a waiver to prescribe buprenorphine.

This is one of three medications, (buprenorphine, naltrexone, and methadone), approved by the FDA for the treatment of Opioid Use Disorder. Research demonstrates that MAT is effective in the treatment of Opioid Use Disorders and can help some people sustain recovery.

### ***Earn a maximum of 8.0 AMA PRA Category 1 Credits***

Funding for this initiative was made possible (in part) by grant no. 5U79TI026556-03 from SAMHSA. The policies of the Department of Health and Human Services; nor does mention of trade names/views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official, commercial practices, or organizations imply endorsement by the U.S. Government
