Innovations

Innovations

1. Current and Future Pandemics
2. Health Equity

Incubator one –

Health care disparities and inequities exist in medicine

- Identify the team
 - Dr Aisha Terry
 - The 14/20 Committees and leaders
- Define the problem or initiative
 - Health care disparities and inequities exist in emergency care
- Develop a possible solution or knowledge base
 - This is the initial goal and objective
- Test it
 - TBD either as a web site bucket, paper or presentation
- Redefine
 - From comments during the testing

Incubator two –

Current and future pandemics have changed the future of emergency medicine

- Identify the team
 - Dr Bill Jaquis
 - Staff TBD
 - The 16/20 Committees and leaders
- Identify/define the problem or initiative
 - The Current and Future Pandemics
- Develop a possible solution or knowledge base
 - This is the initial goal and objective
- Test it
 - TBD either as a web site bucket, paper or presentation
- Redefine
 - From comments during the testing

Next Step

- Each incubator will meet as a group and discuss the project
 - Zoom Retreat
 - Each Committee Mini Presentation
 - Facilitated Discussions
 - Project Evolution
- The project scope may require multiple meetings of each incubator

Thank You
