THE 47TH ANNUAL

Indiana Emergency Medicine Conference

Joint providership for this conference: The American College of Emergency
Physicians & Indiana Chapter of American College of Emergency Physicians

AGENDA: Day 1 (Wednesday, April 17, 2019)

- 07:30 – 08:15** **Registration/Continental Breakfast**
- 08:15 – 08:20** **Welcome** – *Bart Brown MD, FACEP - INACEP Education Director*
- 08:20 – 09:20** **Treatment Strategies for Opiate Addiction/OD & FSSA Update** – *Jennifer Walthall MD* Indiana FSSA Secretary Jen Walthall returns with the latest updates on the opioid crisis, including epidemiology and the growth of evidence based prescribing programs. / Enhancements to state programs utilizing 21st Century Cures and State Opiate / Response grants will be highlighted.
- 09:20 – 10:05** **Quality – Where Have We Been, Where Are We Going?** – *Vidor Friedman MD, FACEP* Confused by the changing landscape of quality metrics? ACEP President Vidor Friedman guides us through the history and current state of Pay for Quality initiatives. He will then cover options to participate in the current CMS Quality reporting programs.
- 10:05 – 10:25** **BREAK – VISIT THE EXHIBITS**
- 10:25 – 11:25** **Sickle Cell Emergencies in Kids** – *Elizabeth Weinstein MD, FAAEM, FACEP* Learn how to recognize the unique life-threatening emergencies in children with Sickle Cell disease, and understand nuances in management of the critically ill child with the disease.
- 11:25 – 11:45** **BREAK – VISIT THE EXHIBITS**
- 11:45 – 12:30** **Scary Spice: Contaminated Synthetic Cannabinoids** – *Kristine Nanagas MD* Don't miss this cutting edge presentation on the latest synthetic drug complications. Kristine Nanagas will provide participants with a strategy for screening all patients with unexplained coagulopathy for synthetic cannabinoid use. Learn how to evaluate patients with synthetic cannabinoid use for bleeding complications.
- 12:30 – 13:45** **Lunch/INACEP Business Meeting /National ACEP Update/Visit Exhibits**
- 13:45 – 14:45** **Tools for Combating Burnout** – *Vidor Friedman, MD, FACEP* What is Burnout? How does it manifest? What stressors are unique to a career in emergency medicine? What can you do today to help? Discover all of this and develop tools and a strategy to decrease the chances of Burning Out.
- 14:45 – 15:05** **BREAK – VISIT THE EXHIBITS**
- 15:05 – 15:35** **Clinical Decision Support** – *John T Finnell MD, FACEP* National ACEP board member and IT guru JT Finnell will present an interactive discussion on utilizing informatics to enhance clinical decision-making.
- 15:35 – 16:35** **Current Trends in EMS Care** – *Andrew Stevens MD* The always entertaining Dr. Andrew Stevens will discuss current best practices and what to expect in the future of EMS.
- 16:35 – 17:35** **Directors Conference** An open discussion format for all EM Directors to discuss current statewide and local EM issues with INACEP leadership. (non-CME)

AGENDA: Day 2 (Thursday, April 18, 2019)

- 07:00 – 07:40** **Registration/Continental Breakfast**
Community Medicine Breakfast and Case Sharing An informal gathering for registrants to share what they are seeing in the community. We invite our members to take 5 minutes to share a story about M and M, near misses, great saves, and crazy days. This is a good opportunity to interact with residents as well. (non-CME)
- 07:40 – 07:45** **Welcome** – *Bart Brown MD, FACEP - INACEP Education Director*
- 07:45 – 08:30** **Frequent ED Users** – *Robert Muelleman MD, FACEP* Learn the characteristics of frequent ED users and develop strategies for potential interventions to address this unique patient population.
- 08:30 – 08:45** **ABEM Update** – *Robert Muelleman MD, FACEP* Dr. Muelleman will explain where ABEM is in the process of developing a Continuous Certification Alternative. He will also discuss activities that ABEM is currently involved with. (non-CME)
- 08:45 – 09:30** **A Knife, a Knife, My Kingdom For a Knife! Advances in Abdominal Surgical Emergencies** – *Joe Martinez MD, FAAEM, FACEP* Back by popular demand, the captivating Joe Martinez will discuss new approaches for surgical emergencies commonly encountered. He will present up-to-date strategies for diagnosis and management of common surgical diseases.
- 09:30 – 10:30** **POCUS Exams for Undifferentiated Hypotension and Cardiac Arrest** – *Srikar Adhikari MD, MS, FACEP* Looking for a rapid tool to enhance your evaluation of the patient with undifferentiated hypotension? Don't miss this engaging presentation of renowned Point of Care US expert Srikar Adhikari. He will present US exams and algorithms to rapidly evaluate these critical patients.
- 10:30 – 11:00** **State EMS Update** – *Michael Kaufmann MD, FACEP* State EMS director Michael Kaufmann will discuss current Indiana Department of Homeland Security EMS initiatives and update attendees on exciting new EMS projects and objectives impacting EM & EMS Physicians. (non-CME)
- 11:00 – 11:15** **BREAK**
- 11:15 – 12:00** **Community Paramedicine** – *Michael Kaufmann MD, FACEP* Looking for novel methods to safely discharge and prevent bounce back of high risk patients? Community Paramedicine and Mobile Integrated Health programs will be defined to help the participants understand the expanding role of EMS in healthcare delivery. Strategies for engaging with EMS to positively impact patient outcomes will be presented.
- 12:00 – 12:15** **BREAK**
- 12:15 – 14:00** **POCUS Exams for Undifferentiated Hypotension and Cardiac Arrest** – *Srikar Adhikari MD, MS, FACEP & Bart Brown MD, FACEP* (This track is for EM Physicians): The POCUS course returns to expand upon and practice techniques discussed in the earlier presentation. Participants will learn how to visualize and evaluate the appropriate POCUS views using live human models and gel based US models. Specific topics include Cardiac US, Thoracic US, Aorta and IVC US, Abdominal and Pelvic US to evaluate for free fluid and possible pregnancy, and DVT US. Participants will learn to rapidly obtain necessary US views and discuss normal and abnormal findings in the setting of undifferentiated hypotension and cardiac arrest.
- 12:15 – 14:00** **Difficult IV Techniques/Guided Line Placement** – *Chad Denney RN* (This track is for Providers): Participants will recognize the need for providers to develop proficient peripheral IV skills and discuss techniques for difficult IV access that have proven effective, including US guided PIV placement.

PLANNING COMMITTEE

Bart Brown MD, FACEP – INACEP Vice President, Course Director & Educational Planning Representative

Nick Kestner – INACEP Executive Director

Sue Barnhart – INACEP Conference Pre-Activity/On-Site Rep

COURSE DESCRIPTION

This course is specifically designed for the practicing emergency physician, but may also be of interest to emergency nurses, physician assistants, nurse practitioners and paramedics. This year we have continued with the tradition of providing a national flavor to a local conference with many guest lecturers from diverse geographic localities and practice backgrounds. This year's speakers are leading authorities on Emergency Medicine topics.

COURSE OBJECTIVES

Teaching our course this year are experts selected for their outstanding teaching ability and hands-on experience on relevant, up-to-date issues, topics and concerns for the emergency department professional. Upon completion of this course, participants will be able to identify and implement state of the art procedures; analyze up-to-date informational reviews; and assess and evaluate a variety of emergency department situations covered in this year's course.

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Emergency Physicians and Indiana Chapter of ACEP. The American College of Emergency Physicians is accredited by the ACCME to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this live activity for a maximum of **11 AMA PRA Category 1 Credit(s)**.[™] Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of **11** hour(s) of ACEP Category I credit.

DISCLOSURE

In accordance with ACCME Standards and ACEP policy, presenters must disclose the existence of significant financial interests in or relationships with manufacturers of commercial products that may have a direct interest in the subject matter of the presentation, and relationships with the commercial supporters of this CME activity. These presenters do not consider such relationships will influence their presentation. Complete disclosures will be disseminated to the audience via the registration desk and verbally prior to the start of the course.

FEE

Please see registration information on back side or online.

ENROLLMENT

Maximum enrollment has been set. Early registration is advised prior to **March 25, 2019**. If your registration fee is to be paid by an agency and you do not expect to have your fee processed by March 25, 2019, mail, email or fax your registration to Indiana ACEP (Fax: 317/848-8015) (Email: sue@inacep.org) and indicate on the form that your fee will be paid the day of the conference.
